Yurizan

Yurizan had always wanted to model for us. She has a cute, round face and ass, with the biggest eyes. We knew how pretty she looked in her underwear, but we think it looks better off. She starts things off, playing with herself using her fingers first.

I'M HERE FOR YOUR PLEASURE

Soon she finds herself playing with a clear dildo. We love snapping pictures of her in every position she puts herself into. She's such a fun and sexy girl just waiting to have her sensous body adored by her loving fans.

BEHIND THE WATERFALL

The man led me back to the waterfall, and I almost hypnotically took off my clothes to step under the natural shower.

I'm not the kind of person who would typically write something like this. I'm normally a sweet and proper girl who loves to get lost in nature, but there are just some experiences that must be told.

I was camping with some friends, up in the mountains among the tall pines and fresh air. The world felt so clear and free. It was a place I knew well. We'd camped there since I was a kid. And the mountain still had its secrets to share.

As I climbed one of my favorite trails, I was drawn away toward the sound of a stream. I veered off and followed the sound to a shallow pool of cool, crystal-clear water fed by a waterfall tumbling over a rocky cliff face.

I removed my shoes and waded into the pool, feeling a tingling, almost healing sensation rush through me. I reached to run the water through my long, thin fingers, and when I looked up again, there he was.

Standing under the waterfall, completely naked, a muscled, hairy man. He didn't react to me at first and I couldn't help staring, and probably did for too long. Because that's when he turned and smiled at me, offered a hand, and invided me to join him.

I looked around before wading further into the pool towards the strange man. He stepped out from the waterfall, and I took his hand. He helped me up the last step, and I finally got my first real look at him, a look that made me gasp. The man led me back to the waterfall, and I almost hypnotically took off my clothes to step under the natural shower.

Our gazes lingered on each other, he was captivating, and he was just as interested. We were about the same height. My thick brown hair grew heavy down my back as the water rained down over my muscled frame. We moved toward each other and quickly wrapped in one another's embrace.

He was warmth in the cool shower. Our arms and bodies entangled around one another, trying to pull one another closer. His fingers trailed down my back, over my firm ass, and up my soft breasts. With a smile, he leaned me back against one of the larger rocks and knelt down to let his tongue explore my eager pussy. He didn't say anything, and somehow, didn't need to.

I spread my arms over my head and stretched out, waves of pleasure crashing over me from all angles. His hands kept exploring my chest, especially my perked nipples. He let his mouth finally follow, slowly kissing his way up from my crotch over my

firm stomach and toward the mountaintops, where he let his tongue flick and swirl around my pink mounds. I moaned loudly, screaming into the forest as he seemed to find every one of my spots.

He kept going, mouth moving up my chest and towards my mouth. And as we locked lips, I felt the head of his cock throbbing at the entrance to my lubed hole. I let my tongue slide into his mouth and felt him slide slowly in. He took his time, letting me feel each throb, letting me want it. I tried to slide myself further down, but he kept me in place, deciding how much of him I got.

I let go and let him have his way, spreading my legs wide and throbbing around his heavy meat. I didn't just want him, I needed him. Needed him inside of me. I threw my head back, letting the water splash over my face and down my body as he played, slowly picking up his pace. He knew how much I was enjoying this. He reached up and pinned my hands above me as he quickened. It was intense, I was seeing stars all around me, each pound feeling like he was finding a place deeper inside me, touching something that hadn't ever been reached before.

The look on his face gave him away, twisting and contorting with pleasure as he pulled himself out and shot his massive cock juice all over my chest. As he finished, one hand slowly rubbed his cum off in the falling waters while the other moved back to my swollen clit, then letting his fingertips back inside. It felt like he was touching my sex everywhere at once and it didn't take him long to have me screaming into the waterfall.

He carried me to a nearby rock just out of the pool and, even though I remember laying down with him, when I woke up later that afternoon, the strange man was nowhere to be found.

Cancun

Last summer the three of us decided we needed a warm sunny vacation. So there I was with my two girlfriends, Kristin and Andrea, laying on the beach at Cancun. We all work together at a large insurance company in the Detroit suburbs, so we were ready for the sun. Kristin had on a little red bikini on her pale white body. She was laying on her back with big sunglasses on and slathered in sun screen. I've known Andrea longer and we're pretty good friends. She's in a sexy black bikini that barely covers her DD chest. She's undone the straps of her top and it's just laying on top her, barely covering her nipples. I'm the oldest of the group at thirty but I've kept myself trim and pleasantly fill out my deep pink two piecer.

Every guy who walked by us was giving us good looks. By now Kristin had rolled over and undone her top while Andrea's top had slipped a little and her left nipple was almost all exposed. I just sat there in my blue-striped beach chair taking it all in with a smile and a smirk. Andrea and I were just checking out the guys, especially the ones who would slow down to check out Kristin. Andrea said we should make eye contact with one we thought was hot and ask him to join us. I kept looking for a good candidate while Andrea went to get us some drinks. I had closed my eyes for a second and heard Andrea's voice. I look up and there stood Andrea with three guys who were all wearing flowery board shorts and had surfer bodies.

Andrea introduced the guys but it sounded like mumbles to me as I checked them out. By now Kristin had heard us and sat up, not bothering to grab her top and cover herself. Immediately, there were five sets of eyes on her perfect twenty-five year old breasts and a long pause of silence. Finally, one of the guys

speaks up and tells us they're staying at his father's house a short ways from the beach. Apparently his dad is a big-time lawyer down here and quite well-to-do. He said his name was Carlos in a very slight accent and told us to come by about six because they were barbecuing tonight. Andrea hands us our drinks and after another moment of looking at Kristin's boobs, they take off up the beach, looking back every few feet.

We left the sands about two in the afternoon because it was getting to be quite hot and went back to our hotel room to rest and get ready for tonight. We left the room about quarter-to-six but the walk to the house was a little further than we anticipated, especially in sandals. Carlos meets us at the door and we enter a beautiful Spanish-style mansion. He escorts us through the house and to the back patio. There was a small swimming pool in the back yard and that was where we all wound up after eating. We girls stripped down to our bikinis while the guys were still in their shorts.

It was still pretty warm outside so it was refreshing. We all ended up in the shallow end sitting on the spool steps and talking away. One of the guys was focused on Kristin, The tall guy paired off with Andrea, and I had Carlos. He was quite nice, well-built and just my type. Kristin said she needed another drink and headed into the kitchen with her guy on her heels. Meanwhile, back at the pool, Carlos started kissing me sliding his hand into my bottoms. I didn't resist and let him rub my pussy. With his other hand he was massaging my boobs and pinching my already erect nipples.

But we weren't the only one's getting aroused. A few feet away the tall guy was standing with his cock in Andrea's mouth. She was deep throating his cock as her big boobs were in his hands. A few strokes of Carlos' cock and I looked back at Andrea to see she leaned over the side of the pool getting fucked from behind. I told Carlos to stand, drop his shorts, and I took his hard cock in my mouth. He was pushing his long, thick dick down my throat. Then I let him go and did like Andrea, leaning over the pool's edge, my ass and pussy teasing Carlos. He obliged by spreading my pussy lips and driving his cock deep into me. He fucked me hard, spanking my ass and fingering my asshole. He bent over and whispered in my ear asking if he could fuck my ass. I told him I'd like that if he was gentle.

He took his dick out of my pussy and using it's juices, lubed my asshole and slowly entered it. I muffled a scream as he pushed it in deeper. I started to cum and Carlos fucked me harder and faster, exploding inside me. I composed myself and noticed we were alone in the pool. Andrea and the tall guy had gone into the house and I hadn't noticed.

Inside, Andrea and her guy were sitting in the living room drinking. I asked if anyone knew where Kristin was. Andrea ventured a guess that they were in a bedroom. When I got near the bedroom door, I heard them having sex. I peeked in the door and Kristin was straddled over him riding up and down on his cock. It was quite a sight and I just had to watch. She started to cum. Kristin fell on top of him spent, so I left.

Back in the living room, Andrea was being double-fucked in her pussy and ass by the tall guy, and Carlos! I sat on a chair nearby rubbing my pussy. The two guys and Andrea all came simultaneously, and a moment later, I came in the chair and squirted all over them. I don't think they even noticed as they all collapsed on the floor right in front of me where they fucked. The rest of the night we sat around, talked and drank margueritas. Kristin and her guy finally showed up, looking quite disheveled. Around two in the morning we all went upstairs and paired off to "sleep." I had the tall guy, Andrea had Kristin's man and Carlos disappeared with Kristin. Oh, yeah!!!

BOB BLAIR

I always liked older guys. The easy boys at my college can't do me like a man with experience can. I've always thought by body was rockin' that any man would want to have me. I met my hot hook up through one of my friends who was also into older men. So I tell him I'm ready to rock and roll.

AN OLDIE BUT A GOODIE

I gave him a cheeky flash to get him in the mood. We went down on each other before he let me ride him like a cowgirl! He got so turned on by my wet pussy that he kept making me cum! I was surprised he wanted to finish in my mouth since he liked it inside me so much. I'll definitely be paying him a visit again.

Dana's Donut Hole

The line at the donut shop was long.

Countless cars had queued up at the drive-thru window, a throng of working stiffs starting another week with a heavy dosage of sugar, fat, and, in all likelihood, high octane caffeine. Unfortunately I was one of them.

I sat there behind the wheel battling a rather severe hangover. I drank every weekend, Saturday and Sunday nights, without fail.

Bad, right?

Well, I did what I had to do in order to forget.

And I definitely wanted to forget my job. Working at the public library was a dismal gig—boring, criminally low pay, irate patrons, etc. The benefits were good—health insurance and retirement—but so what?

I was getting damned close to calling it quits and trying to make it as a freelance writer. I had been fortunate enough to sell a handful of short stories over the years. Of course the money was negligible, enough for a six-pack and a cheeseburger. Still, these minor artistic victories had instilled me with enough confidence to keep writing; which was more than a lot of scribes could say; so many of our ilk ended up abandoning the craft altogether. The life a writer can be awfully lonely and frustrating.

Sadly, my girlfriend was less than supportive.

Abigail never skipped an opportunity to browbeat me and ridicule my "silly literary dream," her words exactly. She hated my work, attacking my stories with much venom. Too vulgar. Too violent. Juvenile. Sophomoric. I'll spare you more of her favorite criticisms.

Needless to say, I often wondered why I put up with her, especially on this particular Monday morning as she berated me from the passenger seat—

"I can't believe you're actually thinking about sending a story to a stroke mag. My God, talk about sleazy. And if you do, what's going to happen if they actually decide to publish the thing? Have you thought about that?"

"I'll get paid," I muttered.

"Sure, you'll get paid. Meanwhile, I'll be dating a bona fide pornographer!"

I remained silent. Quite frankly, I didn't have the energy to engage in an argument. My hangover was really starting to kick in. Throbbing head, body aches, lethargy. It was going to be a miserable day at the library.

We inched forward, getting closer and closer to the window. I had to pick up donuts for our weekly staff meeting. Abigail just wanted some coffee. Her car was in the shop, so I was giving her a ride to work.

She kept on and on, badgering and harassing me until I reached the breaking point. What with the hangover and all, my patience was thinner than usual, so thin that I told her to get out of my car.

"What?"

"You heard me. Get the hell out. You can ride your bike to work."

Thankfully her bike was strapped to the rear bumper; she had borrowed my car yesterday, driving into the mountains to link up

with a group of avid cyclists. She had ridden twenty miles, much to my delight as I had used the quiet time to write.

"Are you serious?"

"Dead serious," I said. "Hit the bricks—"

She exited my car in a huff, slammed the door, and walked around to the trunk. I peered at the rearview mirror, watching her detach the bike. Then she was off, pedaling across the parking lot en route to the ad agency where she worked as a graphic designer.

She actually flipped me off, raising her arm and extending her middle finger as a parting gesture.

I entered the library at seven-thirty. My coworkers would start trickling in at eight, perhaps a few minutes later. Until then I had the place to myself.

At least until our trustee showed up.

The women's correctional facility supplied us with a prisoner to handle all janitorial duties. Ours was a young brunette named Dana. She did a good job; the library was always spic and span. We were damned fortunate to have her.

I put on a pot of coffee, then started arranging donuts on a platter when I heard the prison van pull up outside the staff entrance. Dana entered a few seconds later.

We exchanged pleasantries as she waited on the coffee. She looked good in her green and white stripes. Her pants were tight and I could see her panty lines. I often fantasized about her, ducking into the restroom for a quick toss whenever the urge became exceptionally strong. For obvious reasons, sex with Abigail had become increasingly rare. I masturbated frequently.

"Would you like a donut?" I asked.

"No thanks," Dana said. "I'm watching my weight."

"You look great."

"Thanks," she said. "You're sweet . . ."

The sexual tension in the small kitchen was palpable. It was always like this on mornings when it was my turn to pick up the donuts, quiet mornings when Dana and I had the library all to ourselves.

". . . and cute," she said.

The compliment ignited my desire. My prick tingled. Dana smiled, pinning me with her brown eyes. Her hair was still wet from her morning shower.

"The meeting room is ready," she said. "I cleaned it yesterday."

"You're on the ball."

"That gives us more time . . ."

"For what?"

It was a dumb question. I knew damned well what she meant. The coffee was ready but Dana had other things on her mind. She knelt before me, unbuckled my belt, unzipped my chinos, and freed my cock.

"Nice," she said. "I've wanted to suck this dick for a long time."

She ran her tongue up and down my shaft, basting it with exquisite slowness.

"How long has it been?" I asked.

"Not so long," she confessed. "I suck off the guards for extra commissary, but those guys are fat and disgusting . . ."

Dana proceeded to give me the best blowjob of my life. Lips encircling my prick, her head pumped back and forth with varying speeds. I placed my hands on her wet head and thrust my hips, fucking her face, ramming my prick cap against the back of her throat. Spittle oozed from her mouth and slid down her chin.

I pulled out for fear of blowing my wad. Dana licked her lips and led me to the sofa, a secondhand piece of furniture provided by our reference librarian after he had moved to a new apartment. Dana kicked off her rubber sandals and shucked her pants, revealing a pair of cotton, brief-style panties, which I promptly peeled.

She leaned back on the sofa and spread her legs. I started to go down on her, but she stopped me.

"No offense," she said, "but I get plenty of that at the compound."

"I bet you do."

"This pussy needs a hard cock."

I wriggled free of my pants. Then I pushed her legs back, part-

ing her beautiful cunt. I mounted, sinking my dick into her wet cooze, plunging deep. Dana was wet, tight. She moaned and raised her legs, crossing her ankles behind my ass.

"Oh, yeah, baby. Get it up in there. Fuck me good."

I gave her my best, reaming her pussy with piston-like strokes. She felt fantastic. I kept pumping away; her pink lips massaged my prick as it slid in and out. We balled like this for some time until she said, "Are you ready for my donut hole?"

"Excuse me?"

"My donut hole. You know you want it."

Truer words had never been spoken. I pulled out of Dana's pussy.

"Doggy," she said, "or missionary?"

My reply was nonverbal.

I simply lowered my prick and sunk it in. Dana's tight asshole clenched my cock. I started off slowly, cautiously, gradually stretching her backdoor. Then I drilled her good and proper, tapping her pooper with frenzied jabs. She lowered a hand and diddled her clit, adding an extra dimension to her pleasure.

All for variety, Dana told me that she wanted it from behind.

She got up, walked around to the side of the sofa, and leaned over the armrest. I moved behind her, and pushed her forward, arching her back, framing her ass. I teased her with my cock, rubbing it up and down her pussy, pressing my cap against her asshole. Dana's breathing increased rapidly. She moaned and cooed, pleaded, begged for it.

I glanced at the digital clock on the microwave oven. My coworkers would start showing up pretty soon. A part of me didn't even care. After all, I hated my job. Getting fired for fucking the trustee; well, that would be a damned good way to end things; with a bang, not a whimper, a bang of the backdoor variety . . .

I recalled Abigail's parting gesture. Then I proceeded to fuck Dana in the ass, sinking my turgid rod to the hilt. The previous reaming had thoroughly stretched her donut hole; now there was no need to exercise caution. I slid right in, filling her with a single, deep thrust. Dana grunted.

I started hammering her in earnest, drilling with speed and power. I gripped her shapely hips with both hands. The sound of slapping flesh filled the room, the raw scent of sex. How I would've loved to slow down, prolonging our torrid fun.

But I couldn't.

The clock ticked.

My timing couldn't have been better. Dana came as my cock glazed her asshole with ball sauce, pulse after intoxicating pulse. I collapsed beside her on the sofa, panting as if I had just run a marathon. She was equally spent.

We commenced to recuperate in silence, losing ourselves in post-coital bliss.

"Oh shit!" I got up hastily. "Get dressed! It's almost eight!"

We made it with seconds to spare. The branch manager, nauseatingly chipper, appeared in the doorway, oblivious to our morning tryst.

"I see the coffee and donuts are ready." She regarded us with an amicable smile. "Good work, you two. I really appreciate it."

"Of course," I said.

"Happy to help," Dana replied.

I ended up dumping Abigail and quitting my job at the library.

Now I run my own cleaning service, providing janitorial solutions for a variety of clients. Being my own boss is great. I have plenty of time to write, a passion I hope to indulge for the remainder of my life.

Dana was granted an early release for good behavior.

I hired her as soon as she hit the streets, hired her and took her on a proper date. We've been seeing each other for months. Unlike Abigail, Dana is highly supportive of my literary endeavors. She also provides me with a lot of material.

And her donut hole is sweeter than ever!

amber & liana

Amber and Liana always hook up when one of them is in town. They throw themselves a slumber party, but that's just a code for getting down and dirty. Clothes are always optional when they meet up as these two beauties love making sure that the other is getting just as much pleasure.

IT ALL STARTS WITH A KISS

As the evening progresses, they take turns eating each other out. They like it wet and messy. We think watching girls eat pussy and lick ass is just so damn sexy.

School's over for the year and Sophia's ready to get back the alone time she lost. In the comfort of her own home, she's free to explore herself with her fingers. Adding a glass dildo in the mix always adds more fun. What a way to end the semster.

I'LL PUT ON A SHOW FOR YOU

When she pleasures herself, she likes it deep. She loves the feeling of something stimulating her in all the right places. While the college boys line up at her door, she'll be having fun by herself with her favorite toy!
